FROM TRAINEE QS TO TIER 1 STRATEGIST

MEET TONY HILTON

Tony started in the trenches, as a trainee Quantity Surveyor on-site learning the business of construction from the ground up. Since then, he has led commercial strategies and built his reputation as a commercial leader, claims strategist and trusted advisor for some of the most complex, high-value infrastructure disputes.

Today, Tony is known for leading high-value claims through adjudication, arbitration, and expert advisory, combining technical depth with a pragmatic, outcome-focused approach.

What Sets Tony Apart?

- 01 | Chartered Quantity Surveyor (MRICS)
- 02 | MSc in IT for Property & Construction
- 03 | Over 30 years in commercial and contractual leadership.
- 04 | Experience across Australia, NZ, UK, Malaysia and HK
- 05 | Expertise across road, rail, tunnelling, energy, mining and major civil infrastructure
- 06 | Proven track record for navigating complex multi-party disputes.

When your project is at risk and millions are on the line, you need someone who's done this before.
